Dranoff International 2 Piano Foundation, Miami’s Gateway to the World of Music

For 27 years, the Dranoff International 2 Piano Foundation has been the world’s leading organization to champion exclusively two piano repertoire and artistry. It is the only international foundation, accredited by the World Federation of International Music Competitions, to discover, promote, and award honors to top professional duo piano artists through its competition, commissions, and presentations of duo piano concerts. The Dranoff promotes awareness to a new generation of students of the transformational power of music and the arts through its multi-disciplinary, educational, and inspirational concert program, Piano Slam.

The Dranoff is one of the few world-class performing arts organizations headquartered in Miami-Dade

County, whose activities span the globe and create recognition abroad of the region's positive image and commitment to the highest standards of creativity and the arts.

Dranoff also promotes Miami's City and County as an international cultural destination. It exposes its home audiences to major international artists, thereby creating a cultural bridge to foster universal understanding and respect through music.
